Re: PUC Docket No. 35665 - *Commission Staff's Petition for the Selection of Entities Responsible for Transmission Improvements Necessary to Deliver Renewable Energy from Competitive Renewable Energy Zones* – Errata to Rebuttal Testimony of David Grubbs and David Andrus

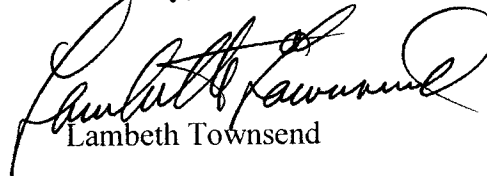

Dear Mr. Galloway:

It has been brought to my attention that a typographical error appears in the footers to the City of Garland's Rebuttal Testimony of David Grubbs and David Andrus filed November 14, 2008. The footers incorrectly designate this testimony as "Direct Testimony."

With this letter I am requesting that all parties correct the Rebuttal Testimony of David Grubbs and David C. Andrus to reflect this correction to the footer. All copies used as exhibits will reflect this change.

Thank you for your assistance.

Sincerely,

Lambeth Townsend
